Payment Methods

After you have logged into your account, you will need to select your Payment Method. Zelis Payments offers you 2 ways to get your payments—Virtual Reimbursement Account (VRA) or Select.

VRA Direct ACH	The direct deposit option settles consolidated payments directly into the provider's bank account via our FDIC insured depository partner. Because Zelis Payments directly manages the entire payment and data delivery process, overall costs of the transaction are substantially reduced.
VRA Mastercard Delivery	With the Mastercard Option, payment flows through the MasterCard network to deposit funds directly into your account. By removing the terminal from the process and replacing it with our B2B "virtual" terminal, we also eliminate the associated terminal fees, thus reducing the cost of processing.

- ❖ When the Payment Method opens, click **Choose** to select your desired payment method. If you select the **VRA** Payment Method, we offer two VRA options: **Direct ACH** or **MasterCard Delivery**.
- ❖ Click **Choose Direct ACH** or **Choose MasterCard**.

The screenshot shows the 'VRA® Payment Method' selection screen. At the top, it says 'Discover a way to get paid that is VRA® SMART'. Below this, it explains that VRA® (Virtual Reimbursement Account) is the most efficient way to maximize payment process for your facility or health system. The screen then offers two options: 'Direct ACH' and 'MasterCard® Delivery'. Each option has a brief description and a 'Choose' button. At the bottom, it states 'By enrolling in a VRA®, you gain efficiencies that help you reach a new level of productivity.' and lists several benefits: 'Eliminate Manual Entry', 'Simplify Reconciliation/Automate Re-Association', 'Ensures Compliance', 'Simplifies payment and data handling', and 'Simple and Transparent Billing'.

Review and Agreement

VRA® - Direct ACH Confirmation

Thank you for submitting your enrollment information to Zelis Payments® Solutions.

Your VRA® with Direct ACH delivery registration is almost complete. The next steps in the process are:

- In order to verify your bank account for crediting your future claims payments, we will:
 - Credit a sum less than \$1.00 into your account
 - Debit the same sum from your account
- Should you have "Credit Block" or "Debit Block", please advise your bank to allow Bank IDs 5452579291, 6452579291 and 1256852000 to credit and debit your account so that we may process your claims payment according to the terms of our Service Agreement.
- Please also notify your bank that you will be receiving CCD+ formatted files and that you would like to receive this payment-related information. The file-association Trace Number (TRN) in this file will match the ERA/ECOP you are provided in whatever format you have chosen. Please refer your financial institution to NACHA Operating Rules Subsection 3.1.5.3, should your financial institution need further clarification regarding this request.

Our Service Agreement with you only allows us to i) credit your account for claims payments, or ii) make corrections to these transactions. If you selected the Gross settlement option for this account, the Agreement may also allow us to iii) debit your account for any transaction fees as set forth in the Agreement.

What to Expect Next:

Once we verify that your financial institution will receive credits from us, we will notify you that the process is complete and mail you a Welcome Kit, which will contain a copy of your service agreement. The verification process normally takes 2-3 business days.

At that time, we will make future payments to this account, and no further action is required from you. Should there be a problem with your financial institution, we will contact you immediately.

Current Payments: Until your bank account is verified, we will continue to make payments and send your data based on your current enrollment in effect with us so that payments are not delayed.

We thank you again for choosing Zelis Payments® Solutions.

If you have any questions, feel free to contact our Customer Service at (877) 828-8770
