Payment Methods

After you have logged into your account, you will need to select your Payment Method. Zelis Payments offers you 2 ways to get your payments—Virtual Reimbursement Account (VRA) or Select.

VRA Direct ACH	The direct deposit option settles consolidated payments directly into the provider's bank account via our FDIC insured depository partner. Because Zelis Payments directly manages the entire payment and data delivery process, overall costs of the transaction are substantially reduced.
VRA Mastercard Delivery	With the Mastercard Option, payment flows through the MasterCard network to deposit funds directly into your account. By removing the terminal from the process and replacing it with our B2B "virtual" terminal, we also eliminate the associated terminal fees, thus reducing the cost of processing.

- When the Payment Method opens, click <u>Choose</u> to select your desired payment method. If you select the VRA Payment Method, we offer two VRA options: <u>Direct ACH or</u> <u>MasterCard Delivery</u>.
- ✤ Click Choose Direct ACH or Choose MasterCard .

Complete the required sections of the Enrollment page—Business Information, Bank Information, Data Delivery, Payment Notifications, Review and Agreement and Submit your information.

When you select **Gross** settlement type, our claim will be unadjusted or will be delivered without deductions.

<u>Note about Debit selection</u>: This option is only available if you select '**Gross**' settlement type. Gross payment has a billing component that must be established as part of your enrollment.
