# Direct Deposit Authorization

**Before completing this form, it's important to know:**

- Multiple providers operating under one tax identification number (TIN) with the same payment address must share the same direct deposit bank account.
- You don't need to complete this authorization for new providers when there are already providers in your office who have the same TIN and payment address – and have enrolled in direct deposit already. They'll automatically be enrolled upon joining our networks. All claim payments for each provider will show on the same payment voucher.
- A copy of a voided check is required to process your direct deposit request.
